Editorial Introduction

Praise be to God, Lord of the Worlds, and may blessings and peace be upon the most honorable of the prophets and messengers:

We welcome you through this new issue of Abhath Journal, which includes thirty research papers by a number of researchers from inside and outside Yemen.

We, the editorial board of the journal, would like to extend our sincere thanks and gratitude to all the researchers whose scientific creations the journal was honored to publish, appreciating their great confidence in the journal, and our thanks go to the experts and referees who enriched these research papers with their valuable comments.

In conclusion, we appreciate the support and encouragement of the university's leadership, represented by its President, General Supervisor of the journal, **Professor Muhammad Al-Ahdal - President of the University**, and **Deputy General Supervisor, Professor Muhammad Bulghaith - Vice President of the University for Postgraduate Studies and Scientific Research**. Their unlimited encouragement and support had a great impact on the development of the journal and its distinction.
